

FS1 : In the Garden

Key Vocabulary Term 1.2

Mini-beast

An insect that we find in our gardens and green spaces.

Nursery

A place where people work to grow plants and flowers, usually in a poly-tunnel or a greenhouse.

Stalk

The part of the plant that takes water and nutrients up from the roots.

Germinate

To add heat and water to a seed so that it starts to grow.

Petals

The parts of the flower designed to attract pollinators.

FS1 : In the Garden

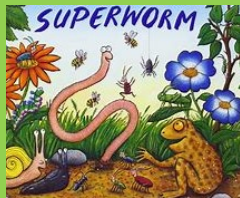

New Learning Term 1.2

Planting Projects

We will be planting our own beans to follow the story of Jack and the Beanstalk!

Wormery Observations

We will be collecting our mini-beasts to observe in our classroom wormery.

Significant Person:

Jackson Pollock

A famous artist who painted unusual patterns.

He used techniques such as throwing paint at canvas and dripping paint in circles.

Authors

This term we explore books about plants and mini-beasts, including *Jack and the Beanstalk*, *Superworm* and *The Bad-Tempered Ladybird*

Local Visit

We plan to visit Stanley Growers to learn more about growing food.
