Governors

*Think about fruit and vegetables. Why they are healthy? Do they grow the same way?*

*What need to know what are living things and which are not and how we can tell.*

*We will use our 5 senses to see, hear, feel, taste, touch and smell the world around us*

*We will use dance and music to show how flowers and plants grow.*

*We will be planting seeds. And finding out what they need.*

Prior Learning...

- I can talk about what I see, describe it.
- I know that plants grow.
- I know that seeds come from plants
- I know about some healthy foods and meals.

New learning...

- I will learn about fruit and vegetables
- I will learn what a living thing is and how I can tell.
- I will learn what happens to seeds.
- I will explore music and dance
- I will find out about my 5 senses..

This is aspirational knowledge, we won't be expected to learn it

*What are the different parts of a plant.*
