## Principal

Dear Parents and Carers,  
Welcome back to term 1.2.

There are many exciting things for the children to look forward to this term including many educational visits. It is lovely to have so many visits organised for this term as teachers make the most of the opportunities to take their classes out on visits to support the topics being taught. Photos from these visits will be included on the website, keep an eye out.

Next week we look forward to inviting you into school for the Parents Consultation Evenings. Thank you to everyone who responded with their preferred times for appointments. Teachers have worked together to schedule the appointments so you can get to see all of your children's class teachers. Appointments have been allocated to you if we had not heard, with the slips being sent out in pupil post. If you have not received information about your appointment please check your child's bag or contact the school office.

Stevie Burrell, the School Nurse, will be in school during parents evenings and will be available if you wish to speak to her. She will also be providing some information around healthy eating including some examples of foods that may provide some inspiration for your children's snacks. Please come to the school reception area to have a chat and see the information.

Next week in school we have a focus on Friendship. There will be a range of activities taking place across the different year groups. The aim of these activities is to help the children develop and extend skills to build friendships, together with developing patience and empathy with others. All of these skills are so important in working with others, enabling children to express themselves with greater confidence. Please talk to your children about the learning they have been involved with during this week to share in the experience. Timetables will be a bit different to usual but swimming and PE will be in the same slot.

Gaynor Kilmister will be with us in school at the end of the month, to meet the children and staff and start to get to know the routines, ready to take up her position as Principal in January. She will be attending the end of term events and visiting locations in Camp to give her the chance to also meet you as well. We look forward to welcoming her to the school.

Kind regards  
Anne Milston

## Notices

Break up for Summer Holidays 16th December  
Return to school for Term 2 Tue 25th January

## Off School?

Please ring school on 27294 before 9:00 am if your child is going to be away from school sick.

**Hospital appointments**-Please inform the school secretary of these in advance. Children in years 1 to 6 must be collected from and brought back to the office so they can be signed back in.

**Access to school** for parents should always be through the main entrance via the School Office.

**Travelling overseas** -If you are going to be away please let the office know who the next of kin are or who the children will be staying with. It is important that you let us know when your contact details change so we can keep pupil records up to date in case of emergencies.

Please visit our school website to see what we are up to this term.

★ Every week we also display our students of the week and our kindness cup winner! ★
