## Principal's Desk

Dear Parents and Careers,

A very Happy New Year to you all and a warm welcome back to the start of Term 2. We are looking forward to welcoming all the children back to school.

This Terms Value is Achievement and we will be supporting all of our children to be successful learners and members of our school community.

**A gentle reminder:** our younger children require more support for their journey to and from school and it is important these children are brought to and collected from school by an adult to keep them safe, saving that next exciting step in their journey to independence for year 3.

Please can we also encourage the children not to arrive in the playground until 8:45 am for the morning session and 1:15pm for the after noon to make sure staff are available and on duty.

**Road Safety:** we understand that it is always very exciting to come back to school and see our friends. Can we ask that you remind children about how to travel safely too and from school. It is important that children cross the roads safely before school, at lunchtime and after school.

As you maybe aware some of our staff have been asked to extend their quarantine. Please be reassured that a carefully thought out plan has been put in place to ensure that all of our children have a safe and happy start to the term.

Kind Regards

Gaynor Kilmister
